Case Study: Department of Veterans Affairs

The U.S. Department of Veterans Affairs is revolutionizing healthcare access for our nation's heroes by leveraging video collabortion technology to empower Veterans to stay connected with their VA care teams from anywhere in the world -- at home, a clinic, or a hospital. Telehealth helps VA providers collaborate to improve care, address challenges with provider shortages, deliver seamless access outside of normal business hours, and reduce travel burdens for patients and families alike.

ENSURE OPTIMAL PERFORMANCE WITH COST-EFFECTIVE SUPPORT SERVICES

To ensure optimal performance and product lifetime value, Logitech includes a 2-year hardware warranty on most video collaboration products at no additional cost to our customers. Additionally, we offer extended warranty coverage and value-added service and support options to ensure you have a great experience.

EXTENDED WARRANTY
Optional 1 or 3 year extended warranty for video collaboration room systems to align with depreciation and replacement cycles of most equipment.

LOGITECH SELECT
A comprehensive service plan featuring 24/7 issue resolution by product experts, advanced RMA, and Sync Insights for maximum uptime.

JUMPSTART SERVICE
Support service to assist in configuring Logitech Room Solutions for Microsoft Teams Rooms within 90 days from date of purchase.
